Complaints

We learn through our interactions with customers and encourage customers to provide feedback and compliments on the services that NPH has provided.

However, we also recognise that sometimes things do go wrong, and we need to respond quickly and effectively to put things right.

MP and Councillor enquiries

Customers may ask their local MP or Councillor to approach NPH on their behalf.

If NPH are approached in this way, we will take this as confirmation that the customer has given consent for us to share information relating to the issue being asked about.

We will then disclose information relevant to the enquiry. Enquiries are responded to in writing within 5 working days.

Our Complaints Process

A complaint is an expression of dissatisfaction, however made, about the standard of service, actions or lack of action by the landlord, its own staff, or those acting on its behalf, affecting a resident or group of residents.

Who can complain?

We define a complainant as a tenant including shared ownership tenant or leaseholder of a property who has exercised the right to buy, licensee of a traveller's site pitch, tenant of a garage, stakeholder or any person who receives a service from NPH.

Any individual with vulnerabilities or who would like help to make a complaint can have the support of an advocate at any stage of the process. For example, a friend, relative or professional whom they give consent to speak with us on their behalf. However, legal representatives such as solicitors are not accepted by NPH.

Anonymous Complaints

Anonymous complaints will be recorded as a complaint and the issues being raised will be investigated and action taken as appropriate. However, the complainant would need to make themselves known to NPH to receive a formal response.

Your rights
