# Gender Pay Gap Report

As at April 2021

**Northampton Partnership Homes employs over 250 staff, managing around 11,300 homes across Northampton. We welcome this opportunity to demonstrate our commitment to equal pay for all.**

**This Gender Pay Gap Report is based on data as at 5 April 2021.**

## Our data:

Hourly rates of pay

	People	Mean Pay (hourly rate)	Median Pay (hourly rate)
Male	155	£16.89	£15.66
Female	125	£16.92	£16.12

## Mean and Median Gender Pay Gaps:

**Our Mean Gender Pay Gap is -0.2%.**

This means NPH's female employees are paid on average 0.2% more than males.

The mean is calculated by adding all the hourly rates of pay and dividing them by the number of staff. The mean gender pay gap is the difference between the mean hourly rate of pay for full-pay relevant male employees and that of female full-pay relevant employees.

The result for NPH shows a very small pay gap between males and females.

**Our Median Gender Pay Gap is -2.9%.**

This means NPH's female employees are paid on average 2.9% more than male employees.

The median is calculated by arranging all hourly rates of pay in order from the highest to the lowest and selecting the middle value. The median gender pay gap is the difference between the median hourly rate of pay for full-pay relevant male employees and that of female full-pay relevant employees.

The result for NPH shows a very small pay gap compared to the national median gender pay gap of 15.5%.
